FEVER SCREEN

Safer, faster, smarter. Fever screening thermal solutions from FRG.

Using advanced detectors & algorithms, our innovative Fever Screen solutions can detect elevated body temperatures in moving crowds such as travellers, shoppers & office workers with accuracy up to $\pm 0.3^{\circ}\text{C}$.

FRG Fever Screen Mobile

A flexible & rapid solution to quickly identify people with high body temperatures.

- Rapid deployment
- Contact free & mobile
- Assess up to 60 persons per minute
- People screened one by one via a screening channel
- Supports real time audio alarms & automatic uploading of screen captures
- Live video & screen capture via iPad.
- For indoor use
- High thermographic accuracy up to $\pm 0.5^{\circ}\text{C}$
- Includes handheld Fever Screen Mobile camera, tripod stand & iPad with mobile app.

FRG Fever Screen Eco & Eco+

Discover and track people with high body temperatures in busy areas.

- Assess up to 30 people simultaneously
- AI face detection reduces false alarms
- Supports real time audio alarms & automatic uploading
- Contact free
- Live view & screen capture
- High thermographic accuracy up to $\pm 0.5^{\circ}\text{C}$
- For indoor use
- Fever screening range: 1.5 to 3 metres
- Includes Fever Screen Eco camera, tripod, NVR, monitor, PoE switch & secure cabinet.

Eco+ - upgrade for increased camera range & enhanced thermal resolution

FRG Fever Screen Pro

The complete fever screen monitoring & attendance recording solution.

- Increased fever screening range: 2 to 7 metres
- Improved thermographic accuracy up to $\pm 0.3^{\circ}\text{C}$
- Temporary or permanent – wall or ceiling mounting
- Powerful facial recognition combines attendance & temperature records
- Enhanced thermal resolution provides clearer images
- AI Face detection reduces false alarms
- Contact free
- Live view & screen capture
- Supports real time audio alarms & automatic uploading
- Includes Fever Screen Pro camera, intelligent face recognition NVR with embedded AI capabilities, monitor, PoE switch, blackbody calibrator & secure cabinet

Why FRG?

- ✓ Nationwide delivery
- ✓ Security specialists
- ✓ Free no obligation site surveys
- ✓ Broad range of cost-effective solutions
- ✓ Fast deployment options
- ✓ Rapid response and reaction
- ✓ Insurance compliance
- ✓ Risk assessments sent direct from site
- ✓ Constant innovation and integration delivering improved value, safety & efficiencies
- ✓ Highly accredited
- ✓ Socially & environmentally responsible
- ✓ Industry leaders
