# PEOPLE FLOW CONTROL SOLUTION

**A simple, innovative solution to help manage social distancing in your business.**

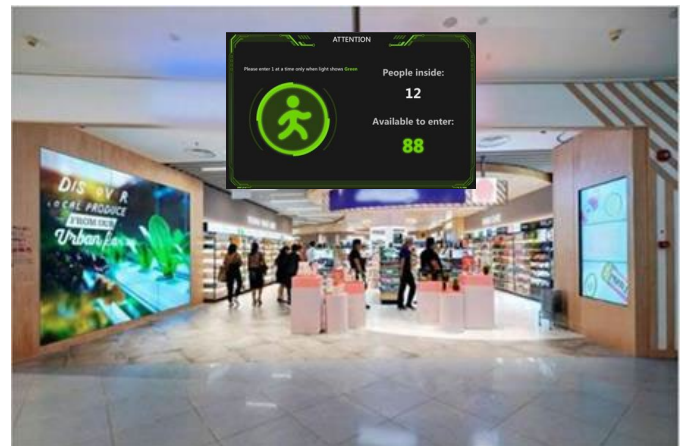

FRG People Flow Control uses the latest technology to monitor and restrict the flow of people through your premises whilst social distancing measures are in place.

Protect your staff, customers and the public by providing a safer environment to minimise the spread of infection.

## FRG People Flow Control

- Advanced AI cameras count the number of people in a defined area
- Real time display at entrances show number of people inside
- Traffic light system controls when it is safe to enter
- Single or Multi entrance/exit packages
- Flexible installation & easy to install

- High people counting accuracy up to 98%
- Helps ensure Government social distancing regulation compliance
- Reduces the risk of infection
- Optional temporary queue control barriers available

**RAPID  
NATIONAL  
RESPONSE**

## SUITABLE FOR YOUR BUSINESS
