Making CCTV Easy

Rapid deployment temporary CCTV Tower solutions

Our range of temporary CCTV Towers provide easy to install, cost efficient temporary security for construction and infrastructure projects, vacant buildings, substations and remote sites where early detection of trespass and theft is crucial to protect assets, improve safety and minimise project downtime.

We listen – We respond – We deliver

What makes FRG different?

National Reach
We provide a truly national 24/7/365 service. Wherever your site, we've got you covered

Customer Access
Our customer portal ensures that you have full access to your sites in real-time

Go Wireless
We have a range of options suitable for sites with no access to power

Quality Features
HD video, object detection and night vision sensors are just some of our features

NSI NACOSS Gold
Our services meet the security industry's highest technical standards
