First Response Group

Total Security, Risk & Facilities Management

Introducing FRG Insolvency Solutions

FRG are a leading multi-service Security, Fire & Facilities Management services provider.

We deliver rapid, insurance approved security, fire and facilities management solutions to protect and maintain vacant properties and sites on behalf of Restructuring and LPA, Corporate Recovery, and Fixed Charge Receiver clients nationwide.

Our dedicated risk experts ensure your distressed asset insurance and regulatory obligations are met in the most efficient and cost-effective way possible.

We have extensive experience and knowledge working with UK insurance providers.

We follow the best practice of NARA (The Association for Property and Fixed Charge Receivers) and the IPA (Insolvency Practitioners Association) to deliver reliable and realistic risk mitigation advice.

Benefits

Nationwide delivery

- Visual confirmation every time
- Battery powered – 400+ days
- Wireless connectivity
- Built in analytics = no false alarms
- Fast, simple installation
- Scalable mesh network
- Monitored from mobile devices or remotely from FRG Central Control Centre

CCTV Solutions

As experts in HD CCTV technology, we supply a complete range of the latest technology with advanced video analytics.

- Simple configurations or bespoke, integrated systems
- Fully customisable
- Monitored 24/7 from National Control Centre
- Advanced analytics software
- Night vision capabilities
- Wireless options available

Temporary Security CCTV Towers

FRG SmartSite Ultra Tower is the industry's most advanced and fully integrated, rapid deployment CCTV tower.

- 8m tall – maximum physical deterrent
- Rapid deployment – set up in minutes.
- High definition PTZ camera – 150m IR range
- Mains powered or self-powered solar 'hybrid' options
- Live audio challenge
- 'Unpluggable' design – intruders can't turn the camera off
- Monitored from FRG Central Control Centre
- Customer portal to view images
- Fast, flexible, efficient and cost-effective

Property Inspections

We conduct on-going, insurance compliant, internal and external unoccupied property inspections to ensure safe and secure premise.

- Full inspection including site perimeter
- Inspection forms designed around individual site needs
- Evidence informed reports uploaded electronically in real-time
- Meet insurance requirements
- Comply with duty of care
- Record meter readings
- Clear communication trail and peace of mind

Security Officer and Canine Security Solutions

Our security officers and canine security teams are screened, vetted and trained to deliver services with integrity, professionalism and quality.

- Tailored to your needs: Static security officers, dog and handler protection teams and mobile security patrols
- SIA guarding licence
- Enhanced DBS checks
- Fully Trained
- First Aid qualified
- Drug & alcohol compliance
- Seamless integration
- NSI Guarding Gold company
- NASDU members

Perimeter Protection

We provide a secure first line of defence for all sites to protect against illegal entry on foot or by vehicle.

- Heras fencing
- Palisade fencing
- Wooden Hoarding
- Vehicle prevention barriers
- Concrete barrier blocks
- Telescopic bollards and barriers
- Video Verification Intruder alarms
- Access Control systems

Unoccupied Property Physical Security

Our expertly fitted range of cost-effective steel security screens and doors cater for all property classes and variations providing unrivalled protection from trespassers, vandals and thieves.

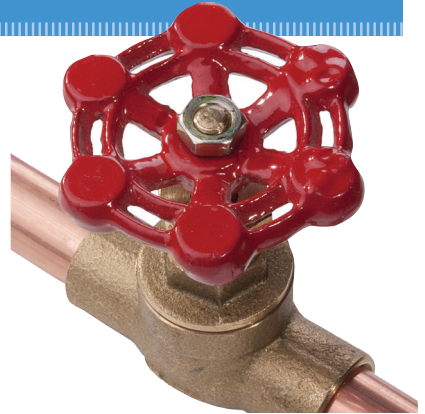

- Steel security screens
- Steel Security Doors (Keyed and Keyless)
- Letter Box Seal

Utilities Drain Down and Clear & Clean

We minimise the threat to unoccupied properties from water damage, fire and public liability claims.

- Water system drain down
- Utilities disconnection
- Reinstating services when required
- Hazardous waste removal
- Rubbish and rubble clearance
- Sharps clean up
- Graffiti removal
- Fly Tipping removal

Unauthorised Encampment Removal Strategies

Our innovative strategies to effectively minimise damage or tipping, reduce the risk of theft and decrease clear up costs.

- Rapid response teams
- Serve & Evict notices
- Removal of people, vehicles, animals & possessions with the Police in attendance
- Clearing dumped rubbish
- Re-securing the site
- Risk assessment review

Fire Alarm Systems

We take full responsibility for design, installation and maintenance of fire detection systems to mitigate risk from accidents or arson.

- Temporary or permanent
- Any level, any grade
- Fully tailored
- Fully compliant
- Unoccupied, occupied or construction sites
- Wireless options available
- Remote monitoring 24/7
- Maintenance options
